

## THE COAST HIGH PERFORMANCE PAY AS YOU GO PROGRAM

**90 Day Same As Cash**  
**0% Interest**

### Layaway Agreement

Coast High Performance is happy to offer Layaway to accommodate purchases for our High Performance Engine Kits, Short Blocks, Long Blocks and Crate Motors. For your ordering convenience we offer up to 90 Day layaway plans.

We require a minimum of 20% down and with the balance being due in full prior to the item purchased being shipped. Payments must be made regularly, as scheduled, and must be received by us, on or before the day they are due. Once payment has been made in full, your Layaway item will be shipped to you after it has been fully assembled.

Layaway payments are non-refundable and no credit/refund will be issued upon failure to complete payments. Because the nature of High Performance engine components and assemblies is such that they are custom and unique to each individual customer, if the layaway is canceled during the 90 days, we retain the initial 20% deposit as a restocking fee and will credit you the difference of the payments made. Cancellations after within the first 14 days will not be subject to a restocking fee.

**Because Merchandise must be ordered. If you are buying merchandise on layaway, we will begin to order your layaway items after the first 30 Days.**

The layaway period starts from the date that we receive this signed form with your 20% deposit. Please fill out this form and fax or email it to your salesman to start the layaway process. Once we receive your completed Layaway Contract, we will send a money request for the 20% down. We process your Layaway payments via Paypal, Master Card, Visa, American Express, Discover, Personal Check, Cashier's Check or direct bank transfer.

Please indicate your preferred method of payment below.

This layaway contract is for a maximum of ninety (90) days. New layaway contracts cannot be created if you currently have an existing Layaway contract with Coast High Performance. The layaway program is only available to customers that reside in the United States of America.

Your first payment is calculated at a rate of 20% of your current balance due.

Any product adjustments are subject to approval; we reserve the right to deny any product adjustments or changes to orders.
